THE BOOK OF PUMPS

SPECK

The SPECK Pump Range 2022

SPECK

Renowned across the industry for producing reliable and robust pumps, SPECK has a deserved reputation for producing some of the best pumps on the market.

Established in 1984 SPECK Pumps (UK) Limited prides itself on its customer service and technical knowledge. With direct access to the technical department based in Germany, we can respond to your queries with ease.

Many of our pumps are available with different material options for both the valve casings and seals. A range of accessories is also available to complement our pumps. Look for the information next to each pump range and contact us for more information.
